Dear Credentials Committee:

Alena Kreychman, M.D. passed the ABNM Certification examination given during the first week of October 2012. The residency training and this comprehensive examination covers the following areas:

- General Nuclear Medicine
- Cardiovascular Nuclear Medicine including Stress Testing
- Diagnostic CT in association with PET/CT or SPECT/CT
- PET/CT
- SPECT/CT
- Molecular Imaging
- Therapy with radioactive sources

Dr. Kreychman is also fully participating in the ABNM's MOC program.

Sincerely,

J. Anthony Parker, M.D., Ph.D.
Associate Executive Director

The American Board of Nuclear Medicine

A Member Board of the American Board of Medical Specialties

DATE: November 9, 2012
TO: ABNM Diplomates
FROM: American Board of Nuclear Medicine
RE: Privacy Response

The **American Board of Nuclear Medicine** routinely provides the American Board of Medical Specialties (ABMS) with a listing of Diplomates including their full name, social security number (for internal use only), birth date, graduation year, current address including phone and fax, email, type of certification, and date awarded and participation in Maintenance of Certification (MOC) for inclusion in the ABMS Unified Database. Publication of such a database for use by the public is mandated by the Bylaws of the ABMS and agreed to by each of the Member Boards of the ABMS. To fulfill this mandate, ABMS publishes a limited listing (Name, City, State, Country, current Certifications and diplomates participation in MOC programs) online at www.certificationmatters.org for the public, and the full listing in the directory called *The Official ABMS Directory of Board Certified Medical Specialists*, recognized as the official source of certification information, and to various approved organizations for verification of certification status.

It is recommended that you agree to allow the ABMS to provide a complete listing online at www.abms.org, in the directory, and to various approved organizations of the ABMS to publish and/or reference for credentialing purposes.

However, should you wish to restrict dissemination of your information, please contact the ABNM either by e-mail at abnm@abnm.org or at the address listed below:
